

2019 EARLY EDUCATION CENTRE UNIFORM DETAILS

Requirements

Children in the EEC have some of the same clothing items as for Junior Grammar Prep. This makes the children easily distinguishable within the School. It is also economical for parents when sending their children onto Prep.

In summer our uniform consists of the School polo shirt, shorts and IJGS sun hat and navy or brown sandals with the addition in winter of the School navy tracksuit, white socks and white track shoes with Velcro fastenings.

During school holiday periods the children are not required to wear their uniform as 'free dress' is permitted. However, please ensure clothes are appropriate for sun protection.
