Just One Thing (optional)

At Ipswich Girls' and Junior Grammar, we love parents/carers to be involved as much as possible. We also understand that life is busy, which is why we're asking you to think about 'Just One Thing' you could do to support our children and the School in 2022. Please have a think about helping in some small way, whether it's lending your time, ideas, resources or expertise. Not only will you be enriching the education experience of your children, you'll also have the opportunity to network and make new connections within a community that thrives on supporting each other.
